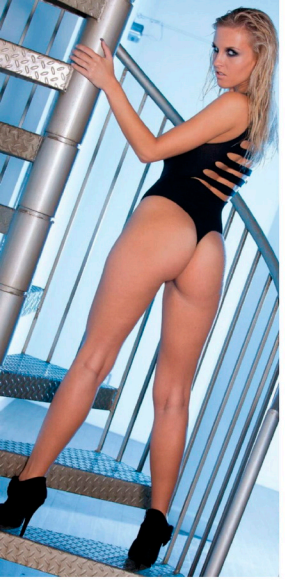
CHIKITA

# BANANA SO RIPE



Appealing Chikita makes our bananas ripen a whole bunch! The statuesque blonde rocks the wet look like nobody's business and watching this leggy wonder ascend a spiral staircase makes our boners ooze pre-cum. "I like guys who are tall, like me," Chikita says, granting us the briefest peek at her pretty pink pussy. "And I like funny guys. But *really* funny guys, not guys who make bad puns about bananas." We get it, Chikita. Don't foster resentment. We'll split...right after we make like a monkey and jerk off violently in front of you!

LACIE HEART & TOMMY GUNN
TWAT'S FOR LUNCH?

Even porn stars need to make a little extra cash on the side. Sexy blonde Lacie Heart moonlights as a waitress on weekends to make ends meet. The tips are good, especially when Lacie forgets to wear underpants beneath her short skirt. Occasionally a customer will order something not found on the standard menu—like a handjob beneath the table, a footjob behind the salad bar, or a quickie in the bathroom stall. Lacie likes to make her customers happy, so when Tommy orders a slice of Lacie's sweet cherry pie, she serves it up hot, grinding her wet pussy against Tommy's face. Then Tommy slides his long wiener between Lacie's hot buns. Perfect fit! What's for dessert? Creampie?

# The Curious Case of the Mandela Effect

Story by PETER THOMPSON

REMEMBER "TANK MAN," THAT ANONYMOUS CHINESE REBEL WHO SINGLEHANDEDLY STOPPED IN ITS TRACKS A COLUMN OF ONCOMING PEOPLE'S LIBERATION ARMY TANKS DURING THE JUNE 1989 TIANANMEN SQUARE PROTESTS WITH NOTHING BUT WILD GESTICULATIONS AND SHOPPING BAGS IN BOTH HANDS? THINK FOR A MOMENT. *WHAT EXACTLY DO YOU REMEMBER?* WAS HE RUN OVER OR DID THE TANKS COME TO A HALT?

IN THE ANNALS OF OFFICIAL HISTORY TANK MAN ENGAGED THAT ENTIRE COLUMN OF TANKS IN A GAME OF CHICKEN AND WON, BLOCKING THEIR PASSAGE WITH ONLY HIS BODY. HE STOOD HIS GROUND AND DARED THE TANKS TO MOVE FORWARD.

BUT DID IT *REALLY* HAPPEN LIKE THAT? IT SEEMS THAT A GROWING NUMBER OF FOLKS REMEMBER THE EVENT HAVING A TRAGIC END AND WATCHING THE POOR SOUL BEING TURNED INTO "ASPHALT POTHOLE FILLER."

NOBODY KNOWS THE NAME OF TANK MAN.

I REMEMBER WATCHING THE LONE MAN IN BLACK PANTS AND WHITE SHIRT WAVING HIS SHOPPING BAGS DEFIANTLY AS THE LEAD TANK APPROACHED.

MANY REMEMBER A MORE SINISTER OUTCOME.

"IT WAS VERY EXPLICIT," POSTS ONE INDIVIDUAL ON A SITE DEDICATED TO DISCUSSION OF ALL THINGS RELATED TO THE SO-CALLED MANDELA EFFECT, A THEORY THAT CLAIMS TO KNOW WHY SO MANY PEOPLE HAVE SUCH DIFFERENT MEMORIES OF IMPORTANT PAST EVENTS.

"IT WAS HORRIFYING TO WATCHING THAT TANK ROLL OVER HIM. THE MEMORY IS SEARED INTO MY GREY MATTER. I'LL NEVER BE ABLE TO GET THAT IMAGE OUT OF MY HEAD. I DON'T BELIEVE IT WHEN I WATCH THE SAME VIDEO TODAY AND SEE THE TANK STOP IN FRONT OF HIM. I CAN'T WRAP MY MIND AROUND IT. I REMEMBER WATCHING THE TANK RUN HIM OVER AND KILL HIM. "

THANKS TO THE MANDELA EFFECT, YOU NO LONGER HAVE TO BELIEVE WHAT YOU SEE. THE RAPIDLY GROWING PHENOMENON FOR EXPLAINING AWAY ALTERNATIVE MEMORIES SEEMS TO BE AS COMMON AS THE SENSE OF DEJA VU, YET THE IMPLICATIONS ARE EVEN MORE PROFOUND.

HOW DOES THE MANDELA EFFECT ACCOUNT FOR SUCH WIDELY DIVERGENT MEMORIES OF THE SAME HISTORIC EVENT? WHICH ONE IS CORRECT? ACCORDING TO ITS PROPONENTS, BOTH ARE: IN ONE UNIVERSE, TANK MAN WAS RUN OVER BY THE CHINESE TANK. IN ANOTHER, THE TANK STOPPED. THE MANDELA EFFECT SAYS THAT WE LIVE IN A MULTIVERSE, A WORLD OF MULTIPLE UNIVERSES THAT EXIST VIRTUALLY ON TOP OF EACH OTHER WITH LITTLE ROOM TO MOVE. OCCASIONALLY, THEY GET TOO CLOSE AND ACTUALLY AFFECT EACH OTHER'S REALITY. QUANTUM PHYSICS SAYS IT'S POSSIBLE, PERHAPS EVEN PROBABLE!

## ALTERNATIVE MEMORIES

This seemingly preposterous postulate was named after Nelson Mandela, the former leader of the apartheid resistance in South Africa. It was first popularized a few years ago by self-styled paranormal consultant Fiona Broome on her website, *fionabroome.com*, in order to explain why so many people, herself included, had these very clear alternative memories seemingly running contrary to fact.

The first of these alt-memories that differed with reality was the early death of Nelson Mandela. The former South African president and equal rights champion actually died in 2013, but Broome and many other believers clearly recall Mandela dying in prison in the 1980s. Most everyone can agree that in the early 1960s the Nobel Prize winner was at one time a political prisoner of the ruling South African regime. Broome, along with countless thousands say they have memories—as clear as a crystal skull—of the leader dying in notorious Robben Island Prison sometime during the Reagan administration. They have vivid detailed memories of his death—many remember watching his funeral on television and his widow's touching speech. Their memories include the world in mourning and the riots that followed. Some say they were even taught this in history class.

Of course, the dominant historical narrative tells us that Mandela was freed from prison during the presidency of F.W. de Klerk and didn't actually die until December 5, 2013, at age 95, after serving as the first democratically elected president of post-apartheid South Africa from 1991 to 1997. His administration saw the country return to the world community. Or did it?

Something like this could be cynically attributed to anything from early onset Alzheimers, general ignorance, subconscious racism, or the lousy quality of today's history teachers. Broome and legions of Mandela Effect acolytes toss reasoning principle Occam's razor (Theory: *"Among competing hypotheses, the one with the fewest assumptions should be selected."*) out the window and chalk it up to the idea that reality itself has been affected. This can be accounted for by anything from a *Back to the Future*-style time traveler making small changes in our timeline and wrecking havoc on our memories, the scientists at CERN engaging in dangerous quantum physics experiments that are creating alternate worlds, or the general belief that reality is extra-dimensional and there are multiple parallel universes right on top of us that occasionally interact with each other.

**In one universe, Tank Man was run over by the Chinese tank. In another, the tank stopped.**

## BERENS*TEIN* VS BEREN*STAIN*

It all sounds kind of crazy until one of the Mandela Effect examples hits you right between the eyes. Your brain lights up like a nuclear Christmas tree and you're left reeling. For me, that first memory variance was the simple spelling of the children's book series about a friendly family of anthropomorphic bears. In *my* childhood, they were called the Berenstein Bears—except they weren't.

They actually, and apparently, have always been the Beren*stain* Bears. Berenstain? *Stain*? What the fuck?

Yes, the Berenstain Bears was the Mandela Effect gateway drug for me, that first puff on the joint that lead me into exploring some of the harder stuff. How did the name change? Does this prove that there is a parallel universe or alternate dimension, or is it simply a case of open season on all childhood memories?

Of course, some of the theories of the Mandela Effect's so-called "glitches" are hit and miss and some of them are straight-up bullshit. Like the one that says Mrs. Hitler, Eva Braun, fled Germany at the end of the War and was brought to America in the top-secret government plan Project Paperclip. But, evidently, Eva didn't go gently into that American good night. The little missus of the master race madman allegedly hid in plain sight by appearing weekly on national network TV as the crusty, crotchety, and crass Prussian assistant-to-the-idiot governor, Miss Kraus, in the sitcom *Benson*.

## Broome, along with countless thousands say they have memories of Mandela dying in notorious Robben Island Prison, sometime during the Reagan administration.

Fancy another example from your childhood that might have you thinking twice? How many times did Fred Rogers from the half-hour children's television series *Mr. Rogers' Neighborhood* sing that familiar song about the neighborhood? Remember? First, he'd change his shoes, put on a sweater, and then go into his cheery theme song, "It's a beautiful day in the neighborhood..."

Only it wasn't "a beautiful day in the neighborhood". It was a beautiful day in "THIS" neighborhood. What? That's right. *THIS* neighborhood. If you're like me, you say, "No, that can't be."

Here's another Mandela Effect test case that's from 1973 that's no bologna. Remember that commercial with the kid singing about the name of his bologna. It had a first and last name. O-S-C-A-R. Check. M-E-Y-E-R. Check. Wait. Nope! It's actually M-A-Y-E-R. Oscar Mayer. It doesn't quite look right and that kid was definitely singing M-E-Y-E-R. But check out the commercials on *YouTube*. Now he says M-A-Y-E-R! Looks like somebody's been playing around with my meat!

I began the research for this article on the Mandela Effect as a skeptic. I say this because I've been blessed with a great memory. Sure, I forget 99 percent of people's names the exact second I meet them, but actual important things, *historical moments*, for example, they stick to my brain like peanut butter. But the more I read into the Mandela Effect, the more I became convinced that there was, in fact, something going on.

That being said, somehow it seems like a total cop out to blame alternate universes rather than simpleminded Hollywood stupidity for the idea that comedian Sinbad star in the 1990 film *SHAZAM*, in which he plays a genie who grants wishes to white kids.

Despite numerous moviegoers who claim to have sat through this stinker multiple times, it actually doesn't exist.

Is it more surprising that this entire movie seems to have disappeared like matter into a black hole or the idea that Hollywood never got around to making such an obvious box-office grenade? Sinbad himself swears he was never in such a flick, but who would own up to being involved in something that awful anyway?

### HE SAID, SHE SAID— WELL, NOT EXACTLY!

On a similar front, one of the most famous lines in cinematic history is evidently wrong. Well, two of them, to be exact. First of all, it turns out that Darth Vader never said "Luke, I'm you're father." in the classic George Lucas Episode V masterpiece *The Empire Strikes Back*. To make matters worse even the guy responsible for uttering those lines, actor James Earl Jones, the voice of Darth Vader, remembers saying them. But it turns out he really didn't. What he actually said is: "No, I am your father."

And as far as Forrest Gump and his mother goes, well the little Mrs. may have humped a Greenbough school official to make sure her mentally challenged son (Tom Hanks) was allowed to attend regular school, but she actually never spoke the dialogue, "Life is like a box of chocolates." Rather she said it "was" like a box of chocolates. What we'd like to know is how many county officials did Mrs. Gump have to plow to keep that precious chocolate flowing. Also, if you look beneath the lid of a fucking box of chocolates, it clearly tells you what you're going to get. So perhaps the Forrest didn't fall so far from the tree after all.

These are two classic movie lines that pop culture has inflated into larger events than the movies themselves, films that every honest citizen knows by heart. Yet, apparently they don't. And don't think I'm pulling C-3PO's single silver leg here, either. Say what?

It turns out C-3PO, the humanoid robot character from *Star Wars*, actually had a single silver lower leg. Now that certainly seems like the kind of glitch that could be manifested by two alternate realities coming too close to each other.

The argument against the Mandela Effect is a simple one. Skeptics claim that it's just some kind of psychological crossroads where pseudoscience meets the complete misunderstanding of quantum physics. Psychologists call the phenomena "confabulation," which is a polite way of saying "horseshit" while billing someone $300 for listening to them bitch about their life for an hour.

DARTH VADER

## QUANTUM EVENTS & PARALLEL UNIVERSES

They argue that Mandela Effect adherents totally misunderstand the "Many Worlds Interpretation" of the universe. The one that says every time there is a quantum event the universe splits into parallel universes. The universe is full of quantum events. They happen almost everywhere at every moment, with or without the quantum experiments happening at places like CERN's large hadron collider in Switzerland, a place many Mandela Effect acolytes hold responsible for creating new worlds and where all of these new worlds purportedly ram into each other like bumper cars, creating alternate timelines and alternative memories.

According to Mandela Effect proponents, the scientists at CERN are singlehandedly responsible for having successfully fucked up the concept of time as we know it—they've even gone so far as to remove the hyphen from the KitKat candy bar wrapper while contrastingly inserting a strange curly-Q into the Ford logo.

Of all things, a few years back I remember the near-death of porn's perennial penis, Ron Jeremy. I think the "hairy one with the baby's arm holding an apple" suffered some kind of aortic nightmare, but somehow managed to pull threw, no doubt aided by the sinister size of his massive schlong.

RON JEREMY

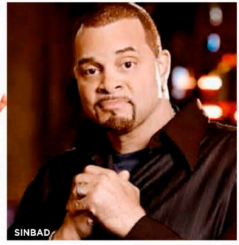
However some naysayer remember it as being the end of the highway for the legendary Hedgehog. Still others actually maintain that Ron starred as the video game plumber Mario in a live-action version of the TV show Mario Brothers, which surprisingly does exist.

To borrow from Rod Serling's brilliant *Twilight Zone*: You unlock the Mandela Effect with the key of imagination and faulty memory. Beyond it is another dimension, a dimension of sound, where Queen's "We Are The Champions" ends with Freddy Mercury singing "...of the world" and one dimension in which he does not. It's a dimension of sight, where the Mona Lisa used to be smiling and is now expressionless, or used to be expressionless and is now smiling.

The Mandela Effect is the perfect storm in a time of "fake news" and the wholesale distrust of everything "mainstream." It's a kind of hysterical populism.

We've reached a time when time itself has been called into question. So what the hell is really going on here? What do real scientists think about the idea?

"The Mandela Effect doesn't exist, but people are going to believe in whatever they want. Whether something exists or not, whether our known reality *is* actually being manipulated by the shadow government with chemtrails and secret space programs built with tech back-engineered from alien craft, facts are an antiquated concept," says nuclear scientist Dr. Jeremy Gales. "The Mandela Effect is real if people think it's real. If something is plausible, if something COULD BE TRUE, it might as well be true, no matter the facts. Humanity is no longer interested in truth. We don't see things in black and white, but in the color of possibility and percentage."



SINBAD

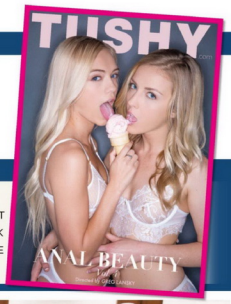
It seems pretty obvious to me that the events of 9/11/2001 took place on September 11, 2001, and not on September 10, though there are people ready to disagree with you on that front, too. September 10th or September 11th? And they don't just disagree. The one thing all these people seem to have in common is their willingness to spend literally a lifetime debating their alternate memories.

Is the Mandela Effect proof positive that there's a time traveler roaming the universe from the future (or the past) with the equivalent of a *Back to the Future* Two version of Gray's Sports Almanac tucked into his jacket pocket? I've searched early photos of Donald Trump hoping to find a few signs.

One thing's for sure, however, Nelson Mandela would surely be rolling in his grave were he alive today. And, honestly, who's to say he isn't?

## TUSHY.COM PRESENTS

# ANAL BEAUTY
## *Vol.4*



**ALL IMAGES COURTESY OF TUSHY.COM**

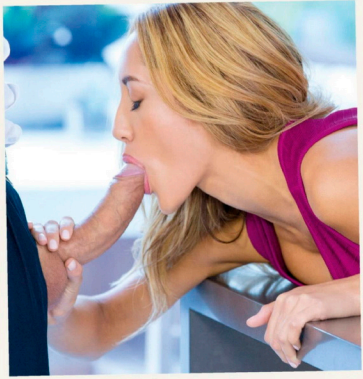
*Anal Beauty 4* is a must-have for your porn stash and one we highly recommend. Award-winning director Greg Lansky is at it again in this fourth installment in the hot series and it is chock full of all the hallmarks of a Greg Lansky flick that fans have come to enjoy. *Anal Beauty 4* is another winner that doesn't disappoint.

**Alex Grey, Karla Kush**

Seems Alex is having a tough time making ends meet while her roommate Karla isn't so unfortunate—she scored herself a Sugar Daddy who spoils her with gifts! Turns out this older benefactor wishes to enjoy a threesome with Karla and one of her girlfriends and she thought of Alex. So cut to the three of them on a couch enjoying some wine and soon enough the girls start making out. The two are wearing see-through white lace lingerie, which looks very good on their respective bodies. A fair amount of kissing here to get us into the scene which progresses neatly to Alex being the first to drop down and take Christian into her mouth followed quickly by Karla as they engage in some tag-team oral. After strong oral from both, Alex is again first to go for the ride in cowgirl giving us a real nice open ass shot with a little gaping. When Karla is fucked in mish, there's a good, juicy orgasm that is worked out onto her stomach. Christian starts to play with Alex's ass too, licking it then easing in slow for the scene's first anal. The girls change positions then Karla opens up her backdoor with a nice close shot of the fun. They close it out with doggie anal for Karla and finally the pop which goes to Alex's mouth/ face and the girls get in close to kiss each other and share the spoils. Yum!

## Alice March

Alice says her mom has become such a slut ever since her divorce. Her mom has sex all the time, all over the house and Alice is constantly walking in on her fucking a new guy. Her mother's newest fuck toy is her personal trainer, Johnny. Alice is tired of hearing her mom fuck him through the walls. One day, her mom leaves the house in a hurry and Alice knows this is her one chance to do something about her mom's new fuck toy. She walks into the bedroom in her lingerie, shocking Johnny. He asks her why she is dressed that way. She tells him he knows exactly why she's here as she straddles him and starts kissing him. She tells him she has been so jealous that her mom his fucking him and she hates having to listen to it. She helps him pull down his pants, grabs his cock and puts it in her mouth, working her lips all over his meat. He tells her she sucks his cock better than her mom does. This makes her suck his dick even more, working her mouth all the way down his shaft to his balls. Alice takes her cock-sucking skills to the bed and tells him she has been waiting for so long to do this to him. She lies on her back, opens her legs and lies back in pleasure as Johnny eats her pussy. She asks him if her pussy tastes better than her moms. Johnny tells her it does as he licks her clit and sucks on her pussy. He starts fucking her slowly in the same position. His cock has Alice screaming that she's so glad her mom isn't home. Alice tells him she's a way bigger slut than her mom. She tells him he's so deep in her pussy and his dick stretches it so good. He tells her he wants to give her a special treat. He wants to fuck her ass because her mom never lets him do that. He stretches her hole so hard and she reminds him that she's a bigger slut than her mom. Alice gets her ass fucked hard in reverse cowgirl. She's having so much fun, she takes a selfie of herself getting fucked by Johnny and she texts it to her mom, telling her she's fucking her trainer. With the text sent, she tells him she wants him to cum all over her face. He obliges, pulling out and shooting his load in her mouth. She sucks his cock and rubs his cum all over her tits.



## Chloe Amour

Up next is sexy real estate agent Chloe who begins her scene telling us about a big deal she's about to close. She also mentions liking the Euro stud she sold the house to and she found it hard to keep her composure around him. The contract is signed and Christian wants to celebrate, and it doesn't take much convincing for Chloe to allow it! They put the counter to good use as she lays back and gives Christian full access to her holes and he takes full advantage. Staying on top of the counter she turns over onto her stomach while he fishes out his dick. They go right into some fucking in mish followed by a slight turn onto her side where he eases in for the first anal shot. They move to a chair and as she gets comfy, Chloe opens up nice 'n' wide so he can slide right back into her ass. An interesting ground shot comes in next as Chloe turns around with that butt facing out and he goes back in and we get a real hot view looking up at the action. It closes with Chloe taking a good pop onto her tongue and giving a little clean up after.

## Lyra Law

Ever since Lyra began seeing Mick Blue for therapy sessions, she has been developing strong sexual feelings toward him. He is older than her and the idea of fucking her therapist is turning her on. During their 5th session together, she tells him that after every session she has been masturbating, thinking about him. It really turns her on to dream about fucking her therapist. He tells her that she can do anything she wants to do in his office. It's all OK. He tells her to take her hands, put them in her pants and start masturbating. She rubs herself and starts to get turned on. Her pussy is getting wetter and wetter. He tells her to keep going and make herself cum. Mick also tells her she has to do everything he tells her to do. She says yes. He helps her attempt to deep throat his meat, making her spit up. Mick stands up and Lyra drops to her knees and continues to suck his cock and lick his balls. He strips her out of her clothes and bends her over doggystyle on the couch, spreading her ass cheeks open and tonguing her ass hole. This drives her crazy, especially when he sticks his finger in her ass. He fingers her hole and spanks her ass cheeks, making her body shake and shiver. She lies on her back on the couch and gets her pussy fucked. He sticks his thumb in her mouth while he sticks his dick in her pussy and keeps her moaning. The anal exploration begins in spoon with Mick fucking her asshole balls-deep, making her scream out how good his cock feels in her ass. She lies on her back for more anal fucking then gets on all fours on the floor for doggystyle anal sex. She holds her ass cheeks open while he splits her hole. He pulls out, showing her pink, gaping ass hole then he fills it up again, pumping it all the way in. Mick pulls out and showers her face and mouth with streams of cum that cure her of her issues.

Yoga is a great way to exercise your body, mind, and soul. August Ames and Kenna James find it's a great way to pump up your sex drive, too. After warming up with "downward dog" the ladies move on to "inside pussy," a complicated position that involves probing fingers and slippery tongues. Then it's onto "penetration squats" and "eat my cooter", two positions even yogi masters are hesitant to attempt. Not August and Kenna. They spread wide and cum hard, without shame or remorse. They get off on the taste of wet pussy and the smell of sweaty yoga pants. Who doesn't?

## JAZZY BERLIN

# POOLSIDE PARTY GIRLS

Busty blonde Jazzy Berlin has a flawless figure that makes our mouths water. Her eyes are a captivating shade of hazel, her cheekbones are high, her lips full, her smile bright... pretty much everything about Jazzy is awesome. So why does she look like she just ate a lemon? "I woke up with the taste of cum in my mouth this morning," Jazzy says. "You know, that gross combination of salty load, cottonmouth, and bleach. That's how you know you've partied too hard and sucked too many dicks the night before." We know exactly what you're talking about, Jazzy...but we'll never admit to it.

HIGH SOCIETY'S

# BAD GIRL CONFESSIONS

STARRING

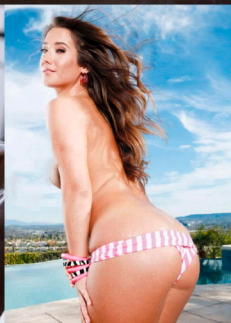
# EVA LOVIA

**PORN VALLEY, CA—WE AT HIGH SOCIETY ADMIT WE ARE IN LOVE WITH EVA LOVIA. THE FORMER DIGITAL PLAYGROUND CONTRACT GIRL CUT HER TEETH WORKING ON BIG BUDGET FEATURES. NOW, HER LIBIDO IS WORKING OVERTIME FOR GONZO DIRECTORS SUCH AS MIKE ADRIANO AND MASON. IF WE'RE LUCKY, ONE OF THESE DIRECTORS WILL BREAK HER ANAL CHERRY. IN THE MEANTIME, IF YOU HAVEN'T SEEN EVA ON SCREEN BEFORE, BE PREPARED FOR THE ONSLAUGHT OF EVA LOVIA SCENES ABOUT TO DROP. YOUR HAND AND YOUR WRIST WILL THANK YOU FOR IT!**

**HIGH SOCIETY:** *What was it like being a contract performer for Digital Playground?*
**EVA LOVIA:** It was amazing working for a company that size, especially at the beginning of my career. It was the best move I could've made — it was the fastest way for me to get known by everybody. I worked in a lot of big budget, high-quality movies. Now that I'm out of my contract, I'm able to work for a lot of different studios, and reach a much broader fan base.

**HS:** *Are you excited about this next stage of your career?*
**EL:** I'm excited to be doing more gonzo stuff. I met Mike Adriano last week and he has a big ass fetish. He asked if he could squirt water in my asshole and then he would drink it from a champagne glass. It's interesting going from couples-type porn to this.

**HS:** *Did you enjoy working with Mason at Hard X?*
**EL:** She is incredible! She has a very strong personality and she will call you out if you are an asshole. She was the first director I shot with when I was out of contract. She let me pick everything from the male talent to the make-up artist. It was a fantastic experience. It was nice working with a director who was so concerned with what it took for me to have a great scene.



**HS:** *Do you have any plans to shoot anal scenes?*
**EL:** I am entertaining the idea. A lot of people are eyeing my butthole.

**HS:** *Did you enjoy working with photographer Holly Randall?*
**EL:** Working with Holly was amazing. The mood on her set was very upbeat and the energy was great. She shows a lot of concern for the well being of her models. She has an amazing eye for detail. I learned a lot about modeling working with her.

**HS:** *Who would you like to work with that you haven't yet?*
**EL:** I think I'd like to work with Jules Jordan. That will be a fun day! I am also working for Porn Fidelity and I am very excited about it. It's very raw dirty and rough!

**HS:** *Ever masturbate in public?*
**EL:** I have masturbated in my car. That's as close as I've ever come to public masturbation.

**HS:** *Ever have sex in public?*
**EL:** I've had sex in parking lot. I've never been caught. It's not really my thing, but I'll do it if my partner is really into it. Public sex stresses me out.

**HS:** *As a truly bi-sexual woman, do you find it hard working with straight girls?*
**EL:** Some girls are afraid of pussy! They look at it like it is the Eye of Mordor! It used to make me self-conscious when I was new to the business, but now I know it's their problem not mine. It makes scenes awkward, though. I will force a girl's face into my pussy. I'm like, "This is what you signed up for! You're going to love pussy by the end of the day!"

**HS:** *What type of guys do you like to date?*
**EL:** I do not have a physical preference. I need to be with someone who makes me laugh. I'm a very serious person, so I need someone who can de-stress me. I also need a man who is passionate about something, and a man who can keep up with me.

**HS:** *What does the future hold for you?*
**EL:** I have Fleshlight making replicas of my ass and pussy. You can buy one on my website!

**HS:** *Anything you'd like to say in closing to our readers?*
**EL:** Thank you so much for supporting me! I am very excited to be working with a lot of different companies now! Stay tuned!

**Fall in love with Eva Lovia by following her on *Twitter* @missevalovia, on *Instagram* lovialongtime, *Snapchat* at Lovialongtime and on her website at *fallinlovia.com*.**

Mia woke up this morning with an itch she just couldn't scratch. It was a nagging feeling clawing at the back of her mind, a burning need deep in the pit of her crotch. Relentless and shameless, Mia approaches Sandy and kisses her passionately. Startled but equally horny, Sandy returns Mia's unbridled passion, working her long fingers under the waistband of her friend's panties and slipping her dirty digits up inside Mia's silky, wet box. Mia cums on Sandy's hand, the first of many orgasms awaiting her that day. Sandy too. It's a multiple orgasm kind of day.
